senior **KARATE**  
**CHAMPIONSHIP**

*Budapest 2013*

With great expectation and encouragement we have been waiting for the celebration of the 48th European Senior Championships 2013 in Budapest.

It has been a while since the Hungarian Karate Federation hosted a European Championship and the whole European Karate family feels great to come back to Hungary to enjoy all together the top European Karate annual event.

I want to take this opportunity to recognize the work developed by the Hungarian Karate Federation during these last years.

The HKF has always been an active and a loyal member not only of the European Karate Federation but also of the World Karate Federation and I would like to make a special recognition of its President János Mészáros, who has always made things easy with a positive atmosphere inside the HKF and provided help and collaboration.

With members like the HKF, it is easy to understand the outstanding progress experienced by the EKF these past years.

The allocation of such a big Karate event for Hungary is something well deserved by the Hungarian Karate Federation and I can say, without any doubts, that the 48th European Senior Championships are going to be a new success of our sport in the Continent, a new success of the EKF thanks to the inestimable contribution of one of its outstanding members as it is the Hungarian Karate Federation.

ANTONIO ESPINÓS

President of the European Karate Federation

Dear honoured guests, athletes and friends of karate.

On behalf of the Hungarian Karate Federation I would like to invite your Federation to participate in the 48th Senior Karate European Championships 2013 Budapest, Hungary.

This year the Hungarian Karate is celebrating its 40th year and it is a great pleasure to introduce my country at this anniversary. We gladly open the next decade with such a glorious event like the most important tournament for the European Karate.

You will come to know the Hungarian hospitality and you will enjoy it on the short spending time or on a longer staying. I hope while you are here for the Championship you also get a chance to experience the atmosphere of this beautiful capital.

People all over the world say that Budapest is the city of baths or spas. We have wonderful sights from the Medieval Age until the fertile 20th century. You will find the best possibility of your interest during the active rest in the arts, or even discovering the famous Hungarian gastronomy by walking on the historical paths.

Enjoy our modern capital and country that hold their traditions from 1100 years.

Welcome to Hungary and Budapest!

JÁNOS MÉSZÁROS

President of the Hungarian Karate Federation

## INTRODUCTION OF HUNGARY

The Republic of Hungary is situated in Central Eastern Europe. The country covers an area of 93,036 square kilometre and it has roughly 10 million inhabitants, who speak a unique language which is not used anywhere else in the world. In the year 2000 the nation celebrated the thousandth anniversary of the foundation of the Hungarian State. Since the reign of state-founder King Saint Stephan, Hungary has gone through golden ages as well as repeated trials, but has survived despite its stormy history. Today, Hungary, a member of the EU, is one of the most popular destinations of visitors who wish to encounter this beautiful country with natural, historical, cultural and gastronomic attractions.

Hungary is a country rich in culture and history, its towns and cities virtually living, breathing works of art, its people quintessentially European - intellectual, hard working and hospitable. A small country, brimming with culture and natural beauty, Hungary is endowed with two-thousand-year-old Roman remains, four-hundred-year-old Turkish period monuments, beautiful Romanesque churches, examples of neo-Gothic and Art Nouveau architecture and imposing castles.

Lovers of nature and the great outdoors will relish exploring Europe's largest freshwater lake, Lake Balaton, or the many conservation areas, each concealing a wonderful protected world. Outdoor activities such as horse riding and water related pursuits are popular here.

The country has one of the finest folk traditions in Europe, producing excellent examples of embroidery, pottery, murals and objects carved from wood or bone. Its musical contributions are just as rich and range from the rhapsodies of Franz Liszt and the operas of Ferenc Erkel to gypsy and folk music. Hungary is also popular with visitors seeking rest and rejuvenation. Here there is a wealth of natural healing spring waters with spa facilities for visitors to choose from. It is a country of diversity, full of sights and experiences that will impress astonish and above all please its visitors.

## INTRODUCTION OF BUDAPEST

The capital of Hungary, known as the "Pearl of the Danube", is undoubtedly one of the most beautifully located cities in the world. The river Danube runs through the middle of the metropolis of two million, dividing hilly Buda with its narrow cobbled streets and mixture of medieval and neo-classical buildings from the Pest plain with its wide avenues and boulevards. Because of the picturesque panorama offered by the river and its bridges, the Parliament, the imposing Royal Castle, Fishermen's Bastion and the impressive Danube Embankment, UNESCO placed this site on the World Heritage list.

The guests will find side by side the remains of fortresses and buildings from Roman times, still operating Turkish baths, Gothic and Baroque buildings, and the incredibly rich Art Novae architectural heritage. There is no other capital city in the world with close to 100 thermal springs and 12 medicinal baths within its boundaries, where 19 million gallons of thermal water rise to the surface every day.

It is a city where the pleasing harmony of different architectural styles and superb structures, the cafés, gastronomy and culture are combined with legendary hospitality and blend into an unforgettable experience for visitors.

## How to get to Hungary

Hungary lies at the crossroads of the main tourist traffic flows in Europe. About 70 airline companies operate regular flights to and from Budapest - Liszt Ferenc International Airport (Ferihegy).

Railway connections from all European countries are excellent, while there are also bus and boat connections with countries in the vicinity of Hungary.

Budapest can be reached by car on motorways M1, M3, M5 and M7.

### BUDAPEST AIRPORT

Budapest - Liszt Ferenc International Airport was opened in 1950.

Terminal 2A and Terminal 2B together has 10,5 million passengers per year.

In 2011 the SkyCourt was opened working as a passage between Terminal 2A and Terminal 2B. Here visitors can find shops, restaurants and places to spend time and money before departure. The SkyCourt is only available after check-in, so without a boarding pass you will not be able to enjoy the services within the SkyCourt.

## CURRENCY IN HUNGARY

Forint is the official currency in Hungary. Please note that Hungary is a member of the European Union, but we have not introduced the Euro yet. Many shops accept Euro, but expect the change in forints. Also, exchange rates applied by these shops are worse than the current rates, you should change spending money in advance or use your credit cards.

The exchange rate is:

1 Euro is approx. 300 Forint

## BARGAINING AND GIVING TIPS

It is quite normal in Hungary to tip in restaurants, but it is also normal to tip guides, hairdressers and taxi drivers; however, it is not normal to bargain as you shop, except when in the Big Market Hall and in open-air markets.

## HUNGARIAN LANGUAGE

As a foreigner in Hungary you should not expect to understand too much of the Hungarian language. It is a Uralic language in the Ugric language group, distantly related to Finnish, Estonian and a number of other minority languages. Most people dropping by Hungary learn a couple of words only, while those living here often end up with only a little knowledge, if they do not invest energy and time in learning the language. If you invest time, the language is not at all impossible, even though it is by some people ranked as the second, third or the fourth hardest language in the world!

### Some important Hungarian words:

Yes – Igen

Cheers – Egészségedre (egesjegyeddre)

No – Nem

How are you? – Hogy vagy? (hodjvadj)

## PUBLIC TRANSPORT

The public transportation network in Budapest is well developed, and will take you almost wherever you want to. The same tickets are to be used everywhere, and if you buy one day tickets, three day tickets or similar you can use them on all the vehicles in Budapest. You can also buy a tourist card which will give you free use of the public transportation, free or discounted entry to 60 museums and to several sights, reduced price tickets for cultural and folklore programmes, discounts in restaurants and spas and some other advantages as well. This is only recommended if you plan to visit lots of museums and tourist places.

With the travel cards/passes you can travel unlimited with trams, buses and with the metro inside Budapest. You can also buy single tickets (350 Forint).

## METRO

There are three metro lines in Budapest. The yellow is the oldest one, which in fact is the second oldest subway/metro line in Europe. The red has just been renewed, the blue still looks a little bit out of shape. As you read about different hotels and sights, you will be informed what stop they are close to.

## BUDAPEST TIME - TIME ZONE

Like most states in Europe, Summer (Daylight-Saving) Time is observed in Budapest Time, where the time is shifted forward by 1 hour; 2 hours ahead of Greenwich Mean Time (GMT+2).

After the summer months the time in Budapest Time is shifted back by 1 hour to Central European Time (CET) or (GMT+1)

Central European Standard Time = GMT+1

Central European Summer Time = GMT+2

## VISA / VISUM

Hungary joined the European Union in 2004, so citizens of the EU and EEA may enter without a visa. The only documentation they require is either a passport or an identity card.

### Schengen Agreement

Hungary is a signatory of the Schengen Agreement. Therefore a visa for Hungary entitles you to travel within the whole Schengen area. This way you do not need to apply for a separate visa to enter Schengen Treaty member states. The opposite is true as well: a 'Schengen visa' is valid for entry to Hungary.

### Non EU/EEA citizens

Citizens of non-EU/EEA countries (those who are required to have a visa) can apply for various types of visas. The visa type you should apply for depends on the purpose and the duration of your stay. It is very important to apply for the correct type of visa, because you cannot change your status in Hungary after entry. To do this you will normally have to leave the country, apply for the correct type of visa and then return to Hungary once it has been granted.

### List of countries whose nationals of European Karate Federation need visa to Hungary

Albania, Armenia, Azerbaijan, Belorussia, Bosnia and Herzegovina, Georgia, Moldova, Russia, Turkey, Ukraine
