6th WKF Youth Training Camp

Corfu, Greece 2013

Welcome

Dear participant,

After the five first successful editions, we face in 2013 the 6th edition of the WKF Youth Camp and World Cup. This year we continue with the children categories added in 2012; the WKF Youth Cup will take place in parallel. Again in the beautiful island of Corfu, where the participants are going to find the ideal conditions to fulfil the objective of the Camp; what it is like to train with top world champions in a friendly and cosmopolitan atmosphere whilst getting in touch for a whole week with the state of the art sport of Karate.

Corfu has already hosted two times the organization of the WKF Youth Camp & Cup, which assures this 6th edition to be a complete success.

Finally, I would like to thank the Hellenic Karate Federation and the local authorities for their help and support and I am looking forward to welcoming you all personally.

Corfu Island

Pontikonisi and Vlacheraia monastery seen from the hilltops of Kanoni

Corfu, the island of endless natural beauty, the island of song and music, of unending inspiration, a combination of the cosmopolitan and the traditional. How can we put in few words all the elements which make up this earthly paradise, this place which has been so generously blessed by God and which has been written about by so many illustrious writers and poets.

The island takes its name from the nymph Corkira, daughter of the river Assopos with whom Poseidon fell in love and kidnapped, taking her to Corfu. Their union produced Faikas, the first King of the island. The foreign name Corfu came from the new town that was created in the old fortress on the twin peaks, meaning the town on the peaks.

The northern side of the old citadel at night.

Corfu is the most northernmost and second largest of the Ionian islands. Its area covers 592 square kilometers. Corfu was not given the name of the Emerald Island for no reason. The greenest of all the Greek islands, Corfu's natural beauty is hidden under a cloak of emerald green, with a mountainous skyline plunging into the bluest of blue waters.

Corfu, Greece 2013

There is an abundance of sand, shingle and pebble beaches lining the 200 km coastline, leading to clear waters ideal for swimming and water sports.

The island has something to offer everyone. Corfu Town itself is a contrasting combination of old and new existing side by side in perfect harmony. The city of Corfu stands on the broad part of a peninsula, whose termination in the Venetian citadel is cut off from it by an artificial fosse formed in a natural gully, with a seawater moat at the bottom, that now serves as a marina and is called the *Contrafossa*.

The old town, having grown within fortifications is a labyrinth of narrow streets paved with cobblestones, sometimes tortuous but colorful and clean which are known as *kantoúnia*. A promenade rises by the seashore towards the bay of *Garitsa* together with an esplanade between the city and the citadel known as *Spianada with the Liston* to its west side, where restaurants and bistros abound.

Take a little time to explore the island and you will be rewarded with some of the most spectacular scenery on offer by any destination. A trip into the heart of the island will give you an insight into Corfiot village life. Time, in stood still and everyday life carries on some places, seems to have pretty much as it must have done for hundreds of years.

Elegant architecture, sun blessed beaches, enchanting nightlife and fine cuisine all play their part in attracting visitors from all over the world. With a welcome as warm as the sun, the renowned reputation the Greeks possess for their unique and instinctive hospitality makes any visitor feel more than at home.

Even though the island is constantly developing to cater to the demands of today's tourist, Corfu has still managed to retain its beauty and charm throughout time. The majority of the island remains untouched and as captivating as it has been for centuries. Whether you are looking for the hustle and bustle of nightlife or peace and tranquility, everything you could need is here, just waiting to be discovered.

ANNEX I

WKF Coach Activities Corfu 2013

Welcome to the WKF coach license program for Corfu 2013. The coaches program is proving to be a great success, after the first year of its implementation we already have over 500 registered coaches. This program is proving its capacity to standardize the coaches' function and thereby make our competitions safer, further enforcing the anti doping rules as well as enhancing disciplined and courteous behavior overall. This year coaches will be able to access both coach levels, either the WKF Accredited Coach or the WKF Certified Kata and/or Kumite Coach.

☞ **Mr. Primoz Debenak, WKF Referee Commission Member, will conduct the Coaches Seminar and the subsequent "WKF Accredited Coach Briefing" and "WKF Certified Kumite & Kata Coach Exams".**

Those coaches who wish to attend the "Accredited Coach Briefing" in Corfu must fill out the registration form and agreement enclosed in the bulletin as well as register online for the event (www.wkf-registration.net). The documentation must be sent to the following email addresses: wkf.assistant@wkf.com.es and aaust186@bigpond.net.au no later than **May 17th**. Those Accredited Coaches who wish to take the "Certified Kumite and/or Kata Coach Exam" in Corfu do not have to sign the agreement again, they need to send the registration form included in the bulletin and register online by **May 17th** by their National Federation.

☞ **Please notice that only coaches in possession of the "WKF Accredited Coach" level have access to the "WKF Certified Kumite and/or Kata Coach Exams".**

☞ **Please notice that it is not possible to take part in both the "WKF Accredited Coach Briefing" and the "WKF Certified Kumite and/or Kata Coach Exams".**

The WKF must receive the corresponding payments by bank transfer to the account indicated in the registration form (including all bank transfer charges). **In order to ease the process all the payments must come from the National Federations, not individual coaches.** All bank transfers must be received at the WKF bank account **no later than May 31st**. Finally, the "Accredited Coach" diplomas will be handed out in Corfu, each individual is responsible for picking up their diploma and **those coaches who do not do so will be charged with the shipping costs incurred by sending their diploma to their National Federations.** The "Certified Kata and Kumite Coach" diplomas will be sent by regular mail via the National Federations to those coaches who pass the exam.

☞ **Please remember that all participants accredited in a WKF event need to be in possession of an annual WKF ID card (a valid one). If they do not have one or their card has expired, they must apply during the registration of the event.**

☞ **Also, do note that all coaches must use the official travel agent for their accommodation arrangements during the event. Otherwise, the coaches' activities fees will be double in order to cover the organizational expenses.**

Thank you and do not hesitate to contact us should you have any questions.
