Some improvements have been developed to the betterment of the competition to meet the current standard and the regulation of World Karate Federation. The venue is a brand new building namely *Indonesia Conference & Exhibition (ICE)* located in *Bumi Serpong Damai (BSD City)* where Michael Buble’s performance becoming memorable for more than 10.000 audience on the 29 January 2015. GREETING FROM THE PRESIDENT OF WORLD KARATE FEDERATION

It was very good news for all the components of the World Karate Federation the day that the WKF Congress decided to host these 2015 Championships in Indonesia.

The Indonesia Karate Federation, FORKI, is the first National Federation in Asia to have hosted a Premier League event, and will now again take the leadership with the organization of a World Championships.

Our thanks to the President of FORKI, General Gatot Nurmantyo, for all he is doing for the Federation and for the sport Karate in Indonesia; we also want to extend these thanks to the whole team of the Federation.

During the meetings that the WKF team and the team of FORKI have held in order to prepare a successful event, all the components of the WKF team have learnt from a different but equally efficient way of approaching the works, and without any doubt all this is going to serve us for an improved service to this big International Sports Federation as the WKF is.

We all wait impatient for the time to travel to Indonesia and Jakarta to come.

Antonio Espinós

WKF President
